

The Event is expected to attract a field of over 100 players. Most of the attendees over the years have been from the local business and corporate community. The Event provides opportunity for networking and socialising whilst also having a great day of fun and raising much needed funds for charity.

The tournament itself will be a 4 person/ball ambrose format. That means, each player in your team will take a shot, the best shot is then selected and the other 3 balls are moved to the position of the best shot. All 4 players then take their next shot from that position and so on until the ball is in the hole. One score is recorded for the team.

The format allows golfers of all levels to play in a team together so don't be afraid of being teamed up with a better or worse golfer than you!

## PROUDLY SUPPORTING & RAISING FUNDS FOR
